# BDS MARKETS

## 1. Introduction

1.1 By opening a Classic Trading Account or using an existing Classic Account not yet funded and participating to the Bonus Offer with BDS Markets (hereafter the “**Company**”), the Client acknowledges that (s)he has read, accepted and agreed to be bound by the terms and conditions herein (the “**Bonus Offer**” or “**Bonus Terms & Conditions**” or “**Bonus Campaign**”) which form a part of the Client Agreement and the Company’s General Terms and Conditions for Forex and CFDs (the “**Client Agreement**” or “**General Terms & Conditions**”).

## 2. Definitions

2.1 All terms shall have the definition assigned to them in Paragraph 4 of the Client Agreement.

2.2 Unless indicated to the contrary, the terms stated below shall have the following meanings and may be used in the singular or plural as appropriate:

“**Bonus Account**” shall mean the Classic Trading Account opened or selected by the Client to benefit from the Bonus Offer as set out herein.

“**Client**” shall mean any prospective or existing Client who has successfully completed the Online Account Opening Procedure with the Company, provided the required documentation and information and has been fully verified in accordance with the General Terms & Conditions of the Company and the Applicable Laws and Regulations.

“**First Time Deposit**” shall mean the first amount, meeting the minimum deposit requirement of the account type, successfully deposited by the Client into his/her trading account with the Company.

## 3. General Provisions

3.1 The decision whether to offer the Bonus Offer to a Prospective or existing Client (the “**Client**”) is clearly and indisputably at the Company’s absolute and unreserved discretion. The Company will, as part of its fiduciary and legal responsibilities, take into consideration any information that the Client presents to the Company during the application process which includes, but it is not limited to, the Client’s financial situation, trading experience and knowledge. The Company, based on the information provided by the
